

National Corvette Museum Report for 9/5/2018

As usual the number of events sponsored or cosponsored by the museum are too many to report on tonight. So, I will talk on events that I think the club may be interested in.

Each year the museum selects 3 winners for the best club newsletter and websites. This year the newsletter winners were from Colorado, the Corvette club of America and Corvette club of Hawaii. The websites winners were from Florida and Texas a tie. Second place went to a California club and third to a Colorado club. I think our newsletter deserves a mention, maybe next year?

Two raffle winners from last month came from Washington Pa and myrtle Beach S.C.

This event is something members of this club may want to attend. It is the Annual Battlefield Corvette Club All Corvette Cruz-in in Fredericksburg Va. It is on September 29th. This area is well known for its Civil War battlefields and historical museums. Also, not too far away is the Marine museum in Quantico Va. Fredericksburg is about a three-hour drive from Dover with plenty of hotels nearby so you could make this an overnight trip. As usual there is more information on the museum web site

The raffles this month are: .

On September 20th a Artic white Corvette Convertible. 1000 tickets @ \$150 each

On October 11, A 2019 Long Beach Red Corvette Coupe. 1500 tickets @ 100 each

Thanks Jim
