

## National Corvette Museum February 2018 Report

Well we are in a new year and the museum has sent out its agenda of events for 2018. I will only give you a few examples of what's to come.

First off is a great deal for a family membership at the museum. The offer is for husband and spouse or husband and significant other or wife and significant other, but the deal is for two people for the price of a single member which is \$50.00. The usual family membership is \$100 dollars. This offer expires on February 28th.

If you're looking to make a Corvette run you might be interested in "Museum In motion" event scheduled for June 20-24. It's a trip to Buffalo NY sponsored by the museum. This is a Corvette trip that features a trip to a Frank Lloyd Wright house, Pierce Arrow museum and a trip to the famous Niagara Falls. These are just a few of the events scheduled. You can view the entire itinerary on the web site.

Of course in April you have the Michelin NCM Bash. This is April 26 thru April 28. This is when GM rolls out the 2019 Stingray and ZR1. Always a large contingent of GM engineers to answer your questions. Also on hand will be members of the GM racing team. A lot of activities in and around the museum. Again see the website for complete information

Then this year there is the 24th museum anniversary. This is a more low keyed event than the 25th will be next year, but if you don't want the crowds and all the hoopla than this might be the time to visit the museum. The dates are August 30th thru September 1st. Don't get me wrong there are still a lot of activities at this event to keep you busy.

Upcoming raffles:

Tomorrow February 8th. A 2018 Arctic White Corvette Coupe. There are unlimited tickets for this raffle @ \$10 dollars each.

On March 1st a 2019 Watkins Glen Gray Corvette coupe. There are 1500 tickets @ \$100 each

See you next month. Jim
