

June 2019 Museum Report

Well there is not a lot going on at the museum, except for the preparation for the 25th Anniversary. If you might be thinking about traveling to the museum to view the LeMans Race on the big screen you better get your reservations in quickly. The museum is the only screen where you can watch the race in real time. Also on the same weekend is Father's Day and the museum has a lot of nice gifts for dad or if dad wants to treat himself go for it.

If your Corvette is 1981 or later, the museum can reproduce any build sheets or window stickers for your car. You can even have them laminated for an extra charge. You can purchase them online through the museum website.

There is a lot of different venues going on at the sports track, you can get into a Z51 Stingray and take laps around the 3.15-mile course. You'll get a combination of classroom instructions and a 3 hr 20 min session on the track. You also get a tour of the museum and lunch, more information can be found on the museum website.

Now for the Raffles:

1. A 2019 Black Corvette Coupe. 1500 tickets at \$100 each. Drawing June 20
2. A 2019 Arctic White Grand Sport Convertible. 1000 tickets at \$200 each.
Drawing July 25
3. Build your own next generation mid-engine Corvette C-8, or \$55,000 Cash. 1500 tickets at \$250 each. Drawing August 30
4. Build your own next generation Corvette – Vin# 25. Unlimited tickets at \$25.00
Drawing August 31

Remember you must now go online to the museum website and download an entry form for Raffles, fill it out and return it to the museum with your request.

Thanks all for now, Jim
